

Maitland Show

Risk Management Plan

Cattle Clinic and Stud Beef Cattle – 18th – 19th February 2022

General Description:

Exhibitors and Students from primary and secondary schools attend a practical / educational day Competitions conducted by the Maitland Show Cattle Committee.

The activities include ranking various types of cattle according to their market suitability, parading cattle, making short speeches as well as competing with cattle in the show ring.

The handling of Led Cattle entered in the competition is the responsibility of their respective owners and or exhibitors. Student Competitors are under the direction of their teachers at all times and this activity is to be approved by parents as part of their respective school's agricultural curriculum.

Location of the Work: Maitland Show Grounds

Date: 18th – 19th February 2022

Specific Description of Type of Work to be Done:

See attached HAZAN

Details of Specific Training to be Given:

All committee members and guest speakers are required to attend a pre-activity briefing as per the attached notes

All teachers are required to read and acknowledge the attached briefing prior to the commencement of activities

The president of the committee or his delegate must conduct a briefing to all students prior to activities commencing.

Proposed Method of Monitoring/Review:

Any committee member who identifies a hazard whether contained in this document or not is to put in place an effective control(s) and notify the president and /or secretary.

The committee will review the effectiveness of the controls in this document at the first meeting following the event.

(Date)

(Signature of Committee President)

HAZAN WORKSHEET

Maitland Show

Brief to Visitor's

Background

I would like to acknowledge the traditional owners of the land, both past and present where we stand today.

I would like to welcome all participants to the 2022 Maitland Show Cattle Clinic and Stud Beef Cattle Competitions and thank the committee and all sponsors for their efforts in preparing what promises to be another successful event.

Before we proceed I will highlight some important safety points that will enable the committee to reduce the risk to everyone involved.

In the case of an EMERGENCY a committee member will call 000.

At the showground

1. The following call will come.... "EMERGENCY, EMERGENCY, EMERGENCY" .THIS IS AN EMERGENCY PLEASE MAKE YOUR WAY TO THE EMERGENCY MUSTER POINT.
2. The committee and teachers will record all those present and identify those missing.
3. Information passed onto emergency response teams and follows their instructions.

Cattle

- Using led Steer describe the animals strike zone and emphasis that all personnel should avoid this area at all times
- People are not to put any body parts through the rails or pens with cattle
- People are not permitted to sit on rails or gates

General

- Stall areas are to remain clean and free of trip hazards etc.
- No student to leave the area without the permission of their teacher
- Highlight stranger danger issue
- Exhibitors are to obey the directions of the marshals.
- Point out location first aid assistance can be obtained
- Point out location for potable water
- Location of marshalling area in the event of an emergency
- We will now move on with the general instructions for today's activities

Brief to Teachers

In the case of an EMERGENCY a committee member will call 000.

At the showground

1. The following call will come.... "EMERGENCY, EMERGENCY, EMERGENCY". THIS IS AN EMERGENCY PLEASE MAKE YOUR WAY TO THE EMERGENCY MUSTER POINT.
2. The committee and teachers will record all those present and identify those missing.
3. Information passed onto emergency response teams and follows their instructions.

This briefing is important for the smooth and safe running of today's activities.

Teachers are directly accountable for the safety of their students and are requested to ensure that students behave in a responsible and calm manner around the livestock provided by the volunteers.

All the cattle have been vetted for temperament but their behaviour is not always predictable and the committee wishes to maintain its good record i.e. no accidents to date.

Cattle / Handling

- Teachers are to reinforce the need for students not to enter the 'strike zone'

General

- No student to leave the activity without permission of their teacher / teacher to keep appropriate records
- Teachers to enforce appropriate protective clothing e.g. hats and other suitable clothing / footwear
- Teachers to assist marshals in the pick-up area to manage students and prevent hazardous behaviour

Brief to Committee Members

- Provide a copy of the HAZAN (must sign the master copy)
- All vehicles to be parked in the designated areas and secured
- Location of First Aid, Emergency Response and Muster Point, canteen facilities, ablutions and potable water
- In the case of an EMERGENCY a committee member will call 000.
