INFORMATION BULLETIN - CATTLE CLINIC – NUMBER 23

As part of the Beef Cattle program at the Maitland Show a Cattle Clinic will again be conducted. The Cattle Clinic is directed and opened to students attending School or College and other interested parties. The format of the Clinic is as follows: -

CATTLE JUDGING

Protocols normally adopted by the ASC will apply. Cattle and an Over Judge will be provided by the Association. The animals to be judged are expected to comprise four bulls, four females and four steers with students being required to rank the animals in the same order as the Over Judge. The Hommel Scale using differential points between animals is the basis of judging.

There will be a charge of \$5.00 per student entering the activities on this day.

1. **Individual judging** – each school can enter an unlimited number of students in the general judging section. The judging will be broken into three categories: -

501	Primary; (age)
502	12 to 15 years (High School)
503	16 years and older

The students gaining the top scores in each section will be required to give an oral presentation. That oral presentation is aggregated with the scores they have achieved for the animal judging to determine final placings. Substantial weighting is given to the oral presentation.

In addition to ribbons, prize money will be awarded for the individual classes:

- 1st place
- 2nd place
- 3rd place

2. **Schools Team** – each school is being requested to nominate three students to comprise its school team. Please note the school team (one team only per school) must be on a separate registration sheet. The results for these three students will be aggregated to form the basis of the school total. The top-ranking schools will then be requested to provide a student to present an oral – that is, one of those three students are to be nominated to give an oral presentation on the cattle judging. If an oral has already been presented by a member of the school team as part of the individual judging, then the marks in that oral will be carried forward to form the school team oral. The champion school is that school which has the highest aggregate of the three team member's scores and the oral. The champion school is recognised by a **Perpetual Shield** (to be returned annually to the Association).

14 - 15 - 16 February 2025

Grand Champion Parader – a Grand Champion Parader will be determined, and that Grand Champion Parader must be: -

- (a) Person eligible for ASC selection.
- (b) That person adjudicated as the top Parader from the ASC Paraders.
- (c) The top Parader will receive a gift from Sponsor.

We recognise that this will exclude persons, who are not 13 years of age on 1 May 2025– this is a limitation which we have chosen to live with.

OPEN / JUNIOR TRADE LED STEERS / HEIFERS = (OPEN TO ALL EXHIBITORS)

This section is open to all exhibitors, Schools, and students to enter led steers and /or heifers in a competition to be judged on the hoof only. The entry can be of any weight and breed. The classes will be determined based upon the number of entries which will be weighed and split into two or three classes containing in so far as is practical, equivalent type animals. This class gives the opportunity for exhibitors who are preparing cattle for The Sydney Royal Show or Wingham Beef Week or any other show to showcase their animals and gain valuable show ring experience.

[Entry fee for each animal in this section is \\$10 per exhibit.](#)
