164th MAITLAND SHOW 2026

“My Show – Making Memories”

13 - 14 - 15 February 2026

Overview:

Think your pup can jump higher than the competition? Get your pups training and ready to jump on Sunday 15th February at 12pm at the Maitland Show's dog high jump! Watch in awe (and maybe a little disbelief) as your furry friend clears each increment – you won't believe how high they can leap! With both pet and working dog classes there's an opportunity for every pooch small and large to have a go!

Exhibitors Notes/Rules

- The competition is open to all dogs. Dogs in season are not permitted on the showground.
- Each competitor must agree and understand that their dog/dogs, and they, have entered the competition/s at their own risk and that the conveners and/or their representatives accept no responsibility for any risk or injury, however caused.
- All dogs not jumping must be on a lead with a handler in the marshalling area away from the jump run area.
- Only one dog may be loose in the competition area at any one time.
- Any mishandling or misuse of any dog will incur immediate disqualification.
- The safety and well-being of dogs and participants is paramount, and the Steward's decision in these matters is final. Stewards may also direct handlers with aggressive or uncontrolled dogs to leave the competition/grounds with their dogs.
- The competition is a test of dog jumping ability. The dog is to jump over the plank wall; however, the dog can touch any part of the jump to get over the wall.
- Each dog is allowed three attempts to jump each height to progress to the next height.
- The handler has the right to select the height, above the minimum, at which the dog will commence competition. Once in the competition, dogs must jump all the following heights.
- The dogs can be encouraged over the jump by a handler, vocally, visually and with toys.
- It is suggested that two handlers are required, with one handler releasing the dog at the jump run-up and the other handler managing the dog once over the jump. Only one handler is allowed on the platform behind the jump at any time.
- If more than one dog reaches the final height, a count back on refusals will be done and the dog with the least refusals will be the winner. If all are equal the prize will be shared.
